## DEPARTMENT OF TRANSPORTATION JOB OPPORTUNITY Transportation Engineer 3 (Engineering) Bureau of Engineering and Construction

**PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!**

Open To: The Public (Refer to "Eligibility" section below)  
Location: Newington Headquarters  
Job Posting No.: 31987  
Hours: 40 hours per week  
Closing Date: **Wednesday, October 12, 2016, 4:00 pm**  
Salary: Pay grade FS27a (\$81,531 - \$116,893 annually)

There is a Transportation Engineer 3 (Engineering) position opportunity currently available in the Office of Engineering, Division of Highway Design, in the Newington Administration Building. The position is located in the Soils and Foundations section within Engineering Services and is 40 hours per week. This position is in the P-4 (Engineering and Scientific) bargaining unit.

**Position Description:** The candidate selected for this position will be responsible for overseeing work of lower level engineers; preparing complex project-level geotechnical investigations, design reports and specifications; reviewing geotechnical scopes of work and preparing fee proposals for consultant designed projects; reviewing geotechnical designs and contract documents prepared by in-house staff or consultant engineers; reviewing contractor submittals and providing construction support for geotechnical elements on construction projects; assisting other Department Bureaus' in the maintenance and preservation of geotechnical related assets.

**Preferred Knowledge, Skills and Abilities:** Considerable knowledge of soil/rock investigations, laboratory testing of geomaterials, and principles of soil mechanics and geotechnical engineering; considerable knowledge of principles and practices of civil engineering; considerable knowledge of highway and bridge construction methods; considerable interpersonal skills and oral and written communication skills; ability to work with other Department units, consultants, towns, and federal agencies; ability to prioritize and multi-task; ability to mentor and develop staff; considerable knowledge of relevant policies and procedures; knowledge of Department organization.

**Eligibility:** Candidates must have passed the Transportation Engineer 3 (Engineering) exam and be on a current certification list promulgated by the Department of Administrative Services. Employees, who currently hold this title or those who have previously attained permanent status in this title since their most recent hire date, may apply for lateral transfer.

**Application Instructions:** Submit a cover letter which states your interest and suitability for this position, resume, and [application \(State of Connecticut Application for Examination or Employment Form CT-HR-12\)](#). Current State of Connecticut employees must also include copies of their last two service ratings received. Send to:

Denise Maura  
Bureau of Engineering and Construction, Division of Highway Design  
2800 Berlin Turnpike, Newington, CT 06111  
or e-mail to [denise.maura@ct.gov](mailto:denise.maura@ct.gov)

Application forms are available at: [http://das.ct.gov/HR/Forms/CT-HR-12\\_Application.pdf](http://das.ct.gov/HR/Forms/CT-HR-12_Application.pdf). Refer to the DAS website for full [job specification requirements](#). Interviews may be limited to candidates whose experience and training most closely meet the requirements of this position. The candidate pool resulting from these interviews may be used to fill Transportation Engineer 3 (E) vacancies that occur in the Soils and Foundations section, in the next twelve (12) months.

### AN AFFIRMATIVE ACTION/EQUAL OPPORTUNITY EMPLOYER

The State of Connecticut is an equal opportunity/affirmative action employer and strongly encourages the applications of women, minorities, and persons with disabilities.
